

THE IMPORTANCE OF CHURCH MEMBERSHIP

So we, being many, are one body in Christ, and every one members one of another.

Romans 12:5

It is very important that Christians attach themselves to a good Bible-believing church. Before you decide which church to join read their article of faith and if permitted the church constitution. This is important because by reading these documents you will have a good understanding of how the church is run and what the church teaches. The Bible does not directly address formal church membership, but there are Scriptures that strongly suggest that church membership was part of the early church. In Acts 2:47 the Bible says, “Praising God, and having favour with all the people. And the Lord added to the church daily such as should be saved.”

Church membership is important as this helps Christians with accountability and growth. The main reason why we ought to be part of a local church is because God has commanded us to have fellowship with other believers and to be under the teaching of a local church and the Elders of a local church fellowship. Each member of the church has an obligation to one another. God has designed the church for the teaching of believers, building them up in faith, rebuking errors, and false doctrine, encouraging believers, to provoke one another to do good works and guiding them in truth. The church is the body of Christ on earth.

By joining a local church, you are committing yourself to that fellowship for the well-being of the other members and yourself. Christians ought to join a local church as a step of obedience and to glorify God. Church membership is also important for our discipleship and edification.

Turn to Acts 2:42. What did the church continued steadfastly in?

Turn to Ephesians 4:25-31. In this portion of Scripture, we read about the changed nature of the Christian heart. This is also how the church grows in love for one another and has a burden for the lost.

Lesson Summary

The local church is the body of Christ. We are to be part of the local body of believers as Christ commanded us to be. The purpose of the church is for Christians to have fellowship and to grow in faith and love toward each other. The church is a visible sign of Christ on earth. Just as a footnote to this section. I am a member of a Gospel Hall because I believe that the brethren and sisters of Gospel Hall assemblies are the best representation of the New Testament Church. We are sometimes called Brethren Churches, but this is a name given to the assemblies by other Christian people. We like to call ourselves nothing other than, Christians. You will find other church fellowships that are also good representations of a biblical church such as some Baptist churches.

Remembrance verse

1 Timothy 3:15

But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God, the pillar and ground of the truth.
